Ineligible Industries

Ineligible groups include but are not limited to entities that band together for the purpose of obtaining insurance such as multiple employer trusts (MET's), multiple employer welfare associations (MEWA's), associations, religious organizations, Taft-Hartley Trusts, and employee leasing firms. In addition, the following is our ineligible industry list:

SIC Group	Description
851	Forestry Services
910	Commercial Fishing
3292	Asbestos Products
4121	Taxi Cabs
4950	Sanitary Services
5813	Drinking Places – Bars and Lounges
592x	Liquor Stores
5993	Tobacco Stores and Stands
7011	Casino Hotels
7381	Detective, Guard, and Armored Car Services
7363	Employee leasing firms
794x	Commercial Sports
7993	Gambling establishments
8600	Membership Organizations (Includes Church Organizations)

Note: The use of the letter "x" is to indicate the inclusion of all numbers. For example, Meat Packing includes multiple four-digit SIC codes which all begin with the numerals 201. Instead of listing all of the meatpacking SIC codes, the abbreviation 201x was used to indicate that all SIC codes which begin with the numerals 201 are included within that category.
